Digital Privacy Protection Certificate

Certificate Identifier	2PNXZUAY4X
Certificate Holder	fme AG Wolfenbütteler Straße 33 38102 Braunschweig

Description

Herold Unternehmensberatung GmbH confirms that the certificate holder has implemented effective processes to protect personal data and fulfills the current EU data protection legislation, nationally applicable data protection law and IT security best practices.

In accordance with the law, the following protection issues in regard to personal data are guaranteed:

- Compliance with the principles for the processing of personal data
- Data protection rights of the data subjects
- Duties of data controllers or data processors
- Implementation of technical and organizational measures to guarantee confidentiality, integrity and availability
- Effective protection of externally accessible technical systems against unauthorized use

Conformity of the audited processes is monitored by annual audits by Herold Unternehmensberatung GmbH. The certificate does not represent an accredited certificate according to Regulation (EU) 2016/679 (Basic Data Protection Regulation).

Validity

This certificate is valid until 31.08.2027.
